Tretty e' un dissuasore che si ispira alla famiglia di apparecchi di illuminazione Tret. Rappresenta un palo verticale generato da una forma geometrica semplice – un triangolo con gli angoli smussati. E' realizzato in estrusione di alluminio ed e' proposto in due altezze. Per quanto riguarda la finitura della parte alta conclusiva puo' essere liscio oppure tornito. Viene proposto anche con catarifrangenti su uno, due o tutti e tre i lati. Fa parte della linea Tretty.

Tretty is a barrier system that is inspired by the Tret family of lighting fixtures. It is a vertical post created by a simple geometric form – a triangle with rounded edges. It is made of aluminum extrusion and comes in two different heights. As for the finish, the upper half can be smooth or turned. It is also proposed with reflective accessories on one, two or all three sides. It is part of the Tretty collection.
