

LIONE

Linea tradizionale in alluminio pressofuso di elevata resistenza all'ossidazione, caratterizzata da decorazioni gradevoli. La gamma risponde alle più svariate esigenze progettuali: marciapiedi, strade storiche, piazze, parchi, giardini, portici ed altre applicazioni in ambito residenziale.

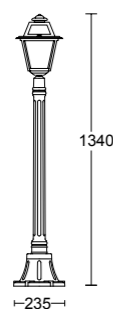

A line that achieves a perfect harmony between classic and modern. Made of high oxidation resistant die-cast aluminum. The range meets the most varied lighting design requirements: pavements, historical roads, squares, parks, gardens, arcades and other applications for residential areas.
